HARYANA GOVERNMENT  
TECHNICAL EDUCATION DEPARTMENT  
NOTIFICATION  

Dated 11th September 2006

No.  25/56/2006-4TE  
The Governor of Haryana is pleased to approve the policy for grant of autonomy to UG/PG level institutions approved by AICTE/UGC. The policy document is as under :-

1. Objectives

An autonomous college will have the freedom to:

- determine and prescribe its own courses of study and syllabi, and restructure and redesign the courses to suit the local needs/needs of industry, design and develop research based courses, integrated courses and value-added technical courses.
- prescribe rules for admission in consonance with the reservation policy of the state government;
- evolve methods of assessment of students’ performance, the conduct of examinations and notification of results;
- use modern tools of educational technology to achieve higher standards and greater creativity; and
- promote healthy practices such as community service, extension activities, projects for the benefit of the society at large, neighborhood programmes, etc.
- Optimise the use of its infrastructure and facilities.
- Collaborate/ participate/ associate/ partnership with leading national/ international institutions/ organizations, to enhance its brand equity/reputation as a top –of –the – line education provider.
2. **Relationship with the parent university.**

Autonomous colleges shall be free to make use of the expertise of university departments and other leading national/international institutions to frame their curricula, devise methods of teaching, examination and evaluation. They shall be free to recruit their teachers according to their needs in accordance with the existing procedures, subject to the minimum qualifications prescribed by the Government/University/AICTE/UGC (The aided institutions would of course follow the prescribed procedure with regard to the aided posts). The parent university will accept the methodologies of teaching, examination, evaluation and the course curriculum of its autonomous colleges. It will also help the colleges to develop their academic programmes, improve the faculty and to provide necessary guidance by participating in the deliberations of the different bodies of the colleges.

3. **The role of the parent university will be:**

- to encourage more colleges under its fold to attain autonomous status;
- to promote greater academic and administrative freedom in autonomous colleges by encouraging introduction of innovative academic programmes;
- to facilitate and permit new courses of study, subject to the required minimum number of hours of instruction, content and standards;
- to permit them to issue their own provisional, migration and other certificates;
- to do everything possible to foster the spirit of autonomy;
• to ensure that degrees/diplomas/certificates issued by the University indicate the name of the autonomous college;
• to depute various nominees of the university to serve in various committees of the autonomous colleges, who must be specialists in the areas for which the Committees have been set up, and get the feedback on their functioning; and
• to create a separate wing, distinct from affiliated colleges, wherever necessary, to facilitate the smooth working of the autonomous colleges.
• To prescribe the minimum eligibility criteria for admissions and qualifications for recruitment of faculty.

4. The State Government will assist the autonomous colleges by:

• conveying its concurrence for the autonomy and extension of autonomy of any college, within the stipulated time of 90 days after receipt of the review committee report, failing which it will be construed that the state government has no objection to the college being autonomous; and

• deputing nominees to the governing body of government colleges and other bodies, wherever their nominees are to be included.

• Avoiding transfer of teachers, specially in Government Colleges where academic innovation and reform are in progress, except for need based transfers.
5. Conferring autonomous status

Autonomous status covers undergraduate, postgraduate and Ph.D programmes offered in colleges that are autonomous and those seeking autonomous status. The parent university will confer the status of autonomy upon a college that is permanently affiliated and NBA/NAAC accredited, with the concurrence of the state government. The Act and Statutes of the universities shall be amended, wherever required, to provide for the grant of autonomy to affiliated colleges. Before granting autonomy, the university will ensure that the management structure of the applicant college is adequately participatory, and provides ample opportunities for academicians to make a creative contribution.

6. CRITERIA FOR IDENTIFICATION OF INSTITUTIONS FOR GRANT OF AUTONOMY

a. Academic reputation and previous performance in university examinations and its academic/co-curricular/extension activities in the past. Merit range of admissions in Entrance Test counselling conducted by the state in the preceding year.

b. Accreditation by NAAC or atleast three courses by NBA.

c. Placement record of last three years.

d. Number of PhD’s and post graduates among the faculty, viz-a-viz cadre ratio as stipulated by AICTE/UGC/University.

e. Academic achievements of the faculty.

f. Quality and merit in the selection of students and teachers, subject to statutory requirements in this regard.
g. Adequacy of infrastructure; for example, library, equipment, accommodation for academic activities, etc.

h. Quality of institutional management.

i. Financial resources provided by the management/state government, as the case may be, for the development of the institution.

j. Responsiveness and effectiveness of the administrative structure.

k. Motivation and involvement of faculty in the promotion of innovative reforms.

7. **Nature of Assistance**

UGC/AICTE will provide Assistance to colleges as per their policy.

8. **Procedure for Applying**

The State Govt. will advertise and call for proposals from eligible colleges seeking autonomous status. The college shall submit the proposal in the prescribed proforma (Annexure-1) duly forwarded by the university.

9. **Procedure for Approval**

The approval for the grant of autonomous status will be done as under:-

A screening committee will be constituted. The composition of the committee will be as follows:

a. Vice-Chancellor of the affiliating universities or his/her nominee, who must be of the rank of Professor or equivalent.

b. Secretary of Higher Education Department/Secretary of Technical Education Department or his/her nominee, who must be of the rank of Professor or equivalent.
c. Higher Education Commissioner/ Director, Technical Education or his/her nominee.
d. Three to five experts, drawn from leading colleges/ institutions outside the State, who must be Professors, with at least 15 years of teaching/research experience.

The report of Screening Committee shall be sent to the state government. After approval of State Govt., the university will notify the colleges concerned. Autonomy will be conferred initially for a period of three years. The college shall submit the proposal for the extension 6 months prior to the date of expiry of the autonomy tenure in the prescribed proforma (Annexure-II), duly forwarded by the university.

10. Mechanism for Implementation of Autonomy

Preparing a College for Autonomy

There are several areas where proper preparation is necessary if college autonomy is to be implemented successfully. These are: faculty preparation, departmental preparation, institutional preparation, and preparation of students and the local community. Such multi-pronged preparation should be completed well before autonomy is sought and conferred upon a college so that no part of the college community is found unprepared for the new responsibility which it is called upon to shoulder.

Faculty Preparation

It is essential to get the staff of the college involved in the thinking and planning processes from the very beginning. Seminars, workshops and consultations may be organised to make the staff familiar with the concept, objectives and rationale of autonomy. (This will help them have a sense of
participation in decision making and motivate them to get involved in the entire exercise.) This could form part of the academic calendar of the college.

**Departmental Preparation**

An important responsibility of the department is that of designing suitable courses in the major and related subjects, introducing new courses of study, renaming obsolete courses by changing their content, updating existing courses to match the current state-of-the-art requirements in each discipline, and preparing course materials and human resources.

These will be done in the light of the general objectives of autonomy and the specific objectives of the education institutions.

**Common programmes to be adopted are:**

- Semester pattern of study
- Continuous internal assessment
- Credit/grading system
- Student feedback
- Self-appraisal by teachers

**Institutional Preparation**

Since an autonomous college is called upon to perform many of the functions that the university has hitherto performed, it must study the academic, administrative/management and financial implications of such a changeover and prepare itself to discharge its new functions efficiently. It must formulate its own rules and regulations/ ordinances, that will govern the functioning of the autonomous college.
11. **Governance of an Autonomous College**

The College will have the following committees to ensure proper management of academic, financial and general administrative affairs. The rules and regulations and conduct of such committees would be governed by the rules and regulations of the autonomous colleges.

**The following shall be the statutory bodies:**

- Governing Body/Council *
- Academic Council
- Board of Studies
- Finance Committee

(*The Governing Body/ Council is different from Trust Board/ Board of Management/ Executive Committee/ Management Committee). The composition and function of the above Council/committees are given in Annexure III to VI.

The college will, in addition, have other committees such as the Planning and Evaluation Committee, Grievance Appeal Committee, Examination Committee, Admission Committee, Library Committee, Student Welfare Committee, Extra-Curricular Activities Committee, Academic Audit Committee etc.

12. **Procedure for Monitoring/Evaluation**

- The right of autonomy may not be conferred once and for all. It has to be continuously earned by the college. The status of autonomy will be granted initially for a period of three years.
➢ Each autonomous college will, with the approval of its Academic Council, formulate an appropriate mechanism to evaluate its academic performance, improvement of standards, and assess the extent and degree of success in the utilisation of autonomy. Self-evaluation will be done annually. In addition, there will be two external evaluations, the first after the first year and the second after the three years. The latter will determine the continuance or revocation of autonomous status.

➢ The university will review the functioning of autonomy in an autonomous college at the end of the second year, with the help of an expert committee constituted for the purpose. This committee may consist of:

- one nominee of the parent university, who must be of the rank of Professor or equivalent;
- Higher Education Commissioner/Director, Technical Education or his/her nominee
- one nominee of the state government, who must be of the rank of Professor or equivalent;
- two experts from outside the state to be nominated by the university, who must be professors, with at least 15 years of teaching/research experience

Also at the end of the 2nd year, the University and the State Govt. will conduct a review jointly with the help of a committee to be constituted by the Govt.. In the event of delay in the review report and renewal of autonomy, the college will continue to enjoy autonomy with the entitlements of benefits, fiscal or otherwise so conceived under the scheme, unless the
government or parent university by a special order withholds such continuation. The college should submit the proposal in the prescribed pro forma duly forwarded by the University for the Extension, six months prior to the date of expiry of the autonomy tenure.

In the event of the availability of evidence confirming decline in standards in an autonomous college, it shall be open to the State Govt. and the university to revoke the autonomous status of that college after careful scrutiny, and mutual consultation and due notification and opportunity to be heard to the management. In such cases the students already admitted under the autonomous scheme would be allowed to complete the course under autonomous status.

13. **General Matters**

**Starting of New Courses**

- An autonomous college is free to start a new degree or postgraduate course with the approval of the Academic Council of the college and AICTE/UGC. Such courses shall fulfill the minimum standards prescribed by the university/AICTE/UGC in terms of number of hours, curricular content and standards, and the university shall be duly informed of such courses.

- An autonomous college may rename an existing course after restructuring/redesigning it with the approval of the college Academic Council, subject to receipt of approval from AICTE/UGC. The university should be duly informed of such proceedings so that it may award new degrees in place of the old. The university shall have the right to review all new courses of an autonomous college. Where there is conclusive evidence of decline in
standards or quality, the university may, after careful scrutiny, and in consultation with the college, either help modify them, wherever possible, or cancel such courses.

**Awards/Medals**
Autonomous colleges are free to institute medals for meritorious students. The value and other terms of reference may be decided with the approval of appropriate bodies in the college.

**Examination System**
In order to avoid victimization by either teachers or students of any group, there should be various alternatives to the internal examination system. Students’ performance may be evaluated both internally and externally. Question banks may be prepared by internal examiners, and examinations conducted by external examiners or by internal examiners, or by both. Remuneration for examination work should not be less than that paid by the university.

**Award of Degrees Through Parent University**
The parent university will award degrees to the students evaluated and recommended by autonomous colleges. The degree certificates will be in a common format devised by the university. The name of the autonomous college will be mentioned on the degree certificate, if so desired.
Others

All recruitments of teaching staff will be made by the Governing Body/state government, in accordance with the policies laid down by the AICTE/UGC/state government.

a. Universities shall consider both internal and external assessment of students in autonomous colleges for admitting them to higher-level courses.

b. Organisation of special need-based short-term courses under the college’s department of continuing education may be an important activity of an autonomous college. Such courses ought to benefit the students of the college, besides outsiders, who may enroll for them.

c. The time spent by teachers on projects and extension work shall be counted for reckoning their workload as prescribed by the Council.

d. An autonomous college shall prepare a calendar for meetings of various bodies to ensure that the implementation of the recommendations made by them is not unduly delayed for reasons of non-convening of such meetings.

e. A wide variety of courses may be evolved in modules so that students may opt for them according to their convenience. Such courses may help them acquire additional credits.

f. All autonomous colleges shall make a formative continuous assessment of students’ work during each semester.

g. Teacher evaluation in autonomous colleges may include periodical self-evaluation, institutional assessment of teacher performance, student feedback, research appraisal and other suitable forms of teacher appraisal.
h. Autonomous colleges in a given region may form a consortium for mutual cooperation/collaboration in chosen areas, such as management skills, national services, entrance examinations, services projects, inter-collegiate/intra-collegiate sharing of expertise and human resources for teaching programmes.

i. Credit system and credit transfer among colleges in general and autonomous college in particular may be suitably adopted.

j. All autonomous colleges shall undergo NBA/NAAC assessment/accreditation.
